

HEBREWS CHAPTER 2 (FACILITATOR)

Discussion Starter

- Do you think there are any differences between visibility and vision? If so, what are they?
- **Opening Prayer**
 - Ask if someone wants to volunteer before leading the prayer.

Tell the Story

- **PLEASE MAKE SURE THAT YOU HAVE ONE PERSON WHO STORIES (SUMMARIZES THE CHAPTER) BEFORE THE GROUP READS THE CHAPTER TOGETHER.**

Read the Story (Hebrews 2:1-18)

Read out loud as a group, 3-5 verses per person. Let everyone know they can opt out if they would like.

Breaking it Down

- All questions should be utilized as appropriate based upon group dynamics to facilitate both understanding and discussion. Don't feel tied to the questions and don't feel like you have to get through every question. Follow the Spirit's lead! All questions are a matter of perspective in some way BUT there are specific questions that this is truer of and these questions have been indicated to be perspective/opinion questions.

Hebrews 2:1-4

- What or who do you pay closest attention to on a daily basis? Why?
 - This is a perspective and opinion question so please listen as the facilitator.
- Why do you think it is important to consider and remember that it is possible for any person to drift away from Jesus? How does this fit in with 1 Corinthians 10:12?
 - It is important to consider and remember that we as forgiven individuals are still human beings that quickly forget and that are in desperate need of reminders and encouragement to cling to Jesus in the midst of many other things that take place in our lives on a daily basis. No one regardless of

how strong or weak they appear to be is immune from drifting away from Jesus.

- How do you personally and intentionally pay very close attention to Jesus on a daily basis?
 - This is a perspective and opinion question so please listen as the facilitator.

Hebrews 2:5-9

- How do you think the world typically uses the word “hope?” How do you typically use the word “hope?” How do you think God typically uses the word “hope?”
 - These are perspective and opinion questions so please listen as the facilitator.
 - Why do you think it is important to remember that we are seeing and experiencing in this world is not the complete story of what will be? How do you think disciples of Jesus can more intentionally live for what will be while at the same time living in what is?
 - These are perspective and opinion questions so please listen as the facilitator.

Hebrews 2:10-18

- Notice that Hebrews chapter 2 details an extremely intimate relationship with Jesus and His followers. It is not a relationship in which Jesus is a concept or idea to be studied but a relationship in which we are His children, His brothers and sisters, His family. But not just family, Jesus is also all of the following to us.
 - Our hero for bringing us out of the shadows and into His light
 - Our liberator for rescuing and delivering us
 - Our perfect high priest who frees us from the power, practice, and penalty of sin
- Are there situations in your life right now where your visibility of Jesus is challenging who Jesus really is? What is one thing in this chapter that you can more intentionally practice that will help you to remember and cling to who Jesus is and what He is doing?
 - These are opinion and perspective questions so please listen as the facilitator.

Final Application

- What does this passage teach us about God?
- What does this passage teach us about mankind?
- What is a command to obey in this passage?
- What has God revealed in your life that needs changing?
- What truth can be applied to your life about the gospel?

Closing & Prayer Requests

- Have a designated person to capture and share (as appropriate) within the life group.
- What happens in life group, stays in life group.
- Don't forget get to confirm the next meeting date and time
- Also recruit someone to do the story for the following week (Hebrews Chapter 3)
