The staff at River Preschool welcomes you to our school. It is the philosophy of River Preschool to provide age-appropriate educational programs that will encourage each child to grow spiritually, cognitively, physically, and socially in a loving and caring environment. We exist to enable children to grow in all areas of development in a secure, nurturing, Christian setting. Our motivation is to achieve excellence in academic curriculum and Biblical knowledge, while providing activities that foster physical, social, and language development. Through our warm atmosphere, it is our desire that each child will gain confidence, self-respect, and a love for God that will saturate his/her life. Our mission is to seek God's will in developing each child's unique potential to become a life-long learner, a disciple of Jesus Christ and a productive citizen. Thank you for being a part of River Preschool.
